

Linecard Washington, Alaska

Custom Engineered Products

Humidity Control

Desert Aire
DX dehumidification technology

Stulz
Desiccant dehumidifiers

Energy Recovery

CGC Group
Hybrid heat pump systems

A. O. Smith E-Tech
Air-to-water and water-to-water heat pumps

Renewable Energy

SolarWall
Solar pre-heaters for outside air ventilation

Industrial Equipment

Airtek
Compressed air treatment and dehumidification

A. O. Smith E-Tech
Air-to-water and water-to-water heat pumps

Jensen
Heat process and product parts washing equipment

Air Handling

Air Sox
Fabric duct

Air Zone
Custom air handling units and raised-floor and overhead distribution units

Buffalo Air Handling
Custom air handling to 250,000 cfm

Coolerado
Indirect evaporative cooling air conditioners

Islandaire Inc.
Replacement thru-the-wall zone units: air conditioners, heat pumps, water-source consoles, gaspaks

KE Fibertec
Fabric duct

Rapid Engineering
Direct- and indirect-fired air management systems

Westaire Engineering Inc.
Indirect/direct evaporative coolers, air handlers, and ventilators

Wholesale Products

National Comfort Products
Thru-the-wall furnaces, heat pumps, AC units

Spruce
DynaVent in-line ventilation fans

XpediAir
Fan coils
