

Air handling

Air Sox
Fabric duct

Air Zone
Custom air handling units and raised-floor and overhead distribution units

AMAX
Indirect, direct, and indirect/direct evaporative cooling

Buffalo Air Handling
Custom air handling to 250,000 cfm

Coolerado
Indirect evaporative cooling air conditioners

KE Fibertec
Fabric duct

Rapid Engineering
Direct- and indirect-fired air management systems

Westair Engineering
Indirect/direct evaporative coolers, air handlers, and ventilators

Energy recovery

CGC Group
Hybrid water-source and ground-loop heat pump systems

A. O. Smith E-Tech
Air-to-water and water-to-water heat pumps

Humidity control

Desert Aire
DX dehumidification technology

Stulz
Desiccant dehumidifiers

Renewable energy

SolarWall
Solar pre-heaters for outside air ventilation

Wholesale products

National Comfort Products
Thru-the-wall furnaces, heat pumps, AC units

Spruce
In-line ventilation fans,
